### To Note:

- 1 All rates indicated are exclusive of IVA tax of 2%. See [Table 2](#) for detailed rates including IVA.
- 2 Those opting for part-time enrolment will agree attendance days in advance and in line with the LPE schedule. Days will not change or be 'switched out' once confirmed.
- 3 **As application of new tax laws in Costa Rica continues to evolve, there is a possibility that the rates here indicated will further increase during 2020, to reflect increases in taxes.** In such an event we will honor payments received in accordance with this schedule up to such time that we announce any increment. At that point in time the new rates will apply to any unpaid amounts.

### Payment Options

#### Annual or Local 10-month Programs

- Receipt of the Matriculation Fee (and LPE Admin Fee where applicable) secures a space for the child \*
- Monthly Enrolments should be received on or before the 1st day of the respective month.
- Payments are via cash or local Costa Rica bank transfer only.

#### International and Seasonal Programs

- To secure a space for the child, a non-refundable deposit of 30% is made once a schedule is agreed and confirmed \* Subsequent payments are made according to the agreed payment plan, eg
  - 1) Enrolment of 4 weeks or less:
    - \* 30% due one month before Day 1
    - \* Balance of 40% due on or before Day 1
  - 2) Over 5 weeks enrolment: The balance of 70% (after 30% deposit) is divided into the number of months of enrolment with payments due a month before each respective month begins
- Late or discontinued payments may result in the space being released to others.
- International bank transfers and PayPal payments are accepted.

#### All Programs

- Payments received past the due date will *automatically* incur: a) a late fee of 5% after 3 working days and b) suspension of enrolment after two weeks.
- Sibling discount 2020 is 5%, and applies to the second child onward.
- Where electronic facturas are required, these should be received in writing before day one of enrolment. It will not be possible to backdate facturas.

\* In addition to the payment of matriculation fee or deposits, other pre-requisites to enrolment must be fulfilled. For families new to Life Project where enrolment is past three (3) months, this includes first a formal *Family Intake Day*. Then, where the child is accepted into Life Project, an *Integration Program*. Continuation of enrolment on all programs is contingent on adherence to Life Project agreements. Please see the Family Handbook 2020 for further information.
